

MS TerraFeed FE usage instructions

Round start →	Week 1							Week 2							Week 3							
	Day	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21
2 x a day ½ small measuring cup (+/-25g per litter)			●	●	●	●	●															
2 x a day 1 small measuring cup (+/-50g per litter)									●	●	●	●	●	●	●							
2 x a day ½ large measuring cup (+/-75g per litter)															●	●	●					
2 x a day 1 large measuring cup (+/-150g per litter)																			●	●	●	●

Portion size depends on the number of piglets and body weight, if the previous day's portion is well consumed, the portion size should be increased.

- Follow the usage guidelines and instructions
- Remove old product from feeders before refilling
- Store MS TerraFeed FE in a closed bucket after opening the bag
- Place the lid back on the bucket to prevent the product from drying out
