PRECAUTIONARY STATEMENTS: Hazardous to Humans and Domestic Animals

Caution. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wear gloves.

FIRST AID. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For general information on product use, call the National Pesticides Information Center at 1-800-858-7378. For emergencies, call the poison control center 1-800-222-1222.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Nature of preparation: Powder for application without dilution

Use is only permitted as a means for combating nonpublic health odor-causing bacteria in animal housing litter and associated areas. Directions for Use must be observed. This product is intended for professional use only in farms and agricultural animal settings.

MS DRYCARE DES is a spreading agent to be applied undiluted in stables, cubicles, calf pens and calving pens.

Application:

1. Remove manure, urine, residue and contaminated bedding before spreading MS DRYCARE DES.
2. The agent can be spread in areas manually and with the help of spreaders.
3. Dosage – apply 0.33 ounces (9.3 grams) of MS DRYCARE DES per square foot - 3.6 ounces (100 grams) per square meter).

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in original container in areas inaccessible to children. Keep securely closed. Store in a cool (40-77 F, 5-25C), dry area out of direct sunlight.

PESTICIDE DISPOSAL: To avoid waste, use all material in this container according to label directions. Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse [or equivalent]. Follow pesticide disposal instructions for rinsate. Then discard in trash or offer for recycling, if available.
