

Midway Safety Boot

Art nr: 1000057

Previous art. nr: 10061501

 Unisex

Monitor Midway is the 2nd generation in this series. A very good boot at a highly competitive price. The shoe upper is made of genuine oiled leather and the interior is lined with a moisture-absorbing and moisture-wicking textile. The outsole is a 2 density PU sole for excellent shock absorption. The toecap is made of a composite material and the penetration resistance of APT textile. This shoe is completely metal-free.
